From January till the end of September 2021, gross profit was VND34.3 trillion (-85.6% YoY) and gross profit margin reached 56% (+37% YoY) thanks to the large contribution of bulk sale at two projects Ocean Park and Smart City with high profit margins. VHM expects to sell all of its products from Ocean Park and Grand Park soon	On the assumption that three major projects will continue to maintain positive sales, the corporation expects to sell out of its products at Ocean Park and Grand Park in 2022 and the Smart City project in 2023.
3Q sales stayed positive despite the pandemic	In the third quarter of 2021, VHM sold 5,900 apartments (1,100 low-rise units and 4,800 high-rise units) mostly from Dream City and Star City projects. Sales contracts in 3Q were worth up to VND13 trillion, of which VND8 trillion is from bulk sale at the Dream City project and VND5 trillion is from retail. During the first three quarters of the year, VHM sold 21,700 products in total (-14% YoY) for VND41 trillion (-14% YoY). VHM currently has a few bulk sale transactions under negotiation with its partners, of which 4-5 transactions might be made in 4Q21. According to our estimates, VHM would sell 16,130 products, equivalent to VND23 trillion in 4Q. The total number of units sold for the whole year 2021 therefore would reach 37,830 with a total value of newly signed contracts supposed to be VND63 trillion (+5% YoY). The total value of newly signed contracts in our estimate decreased by 11% in 2021 as compared to the previous forecast, reaching 70% of VHM's plan due to the complicated developments of the pandemic in the third quarter of the year which affected sales of major projects and the launch of Wonder Park and Dream City projects.
The launch of Wonder Park will be pushed back to 2022	VHM will push back the launch of the Wonder Park project to 2022 instead of late 2021 as previously planned. Also in 2022, the group plans to open for sale Dream City to retail customers and Co Loa (Table 2). We forecast the total contract value in 2022 to reach VND73 trillion (+16% YoY).

Dream City	Hung Yen	460	6.50	Apartments, Villas/Shophouses
Wonder Park	Hanoi	133	7.80	Apartments, Villas/Townhouses

2021F-2022F business performance

2021F results	Given unpredictable developments of the COVID-19 pandemic, we make a forecast for 2021 business results of VHM as follows: We revise down the group's 2021F revenue to VND80,480 billion (+12%YoY), mostly from <i>Ocean Park, Smart City</i> and <i>Grand Park</i> . Gross profit margin should climb to 47% from 36% of 2019 thanks to higher revenue from the delivery of low-rise apartments and bulk sale with good profit margins. PAT is supposed to be VND31,214 billion (+11% YoY).
2022F results	In 2022, KBSV expects VHM's revenue at VND93,327 billion (+16% YoY) coming from <i>Ocean Park, Smart City, Grand Park</i> and two new projects <i>Dream City</i> and <i>Wonder Park.</i> Gross profit may reach VND45,559 billion (+20% YoY) and gross profit margin should be 49%. We forecast PAT at VND35,946 billion (+15% YoY).
